

GUIDED STEPS

— COLLEGE STUDENT —

FAITH.
TECHNOLOGY.
PURPOSE.
WHAT'S NEXT.

OUR MISSION

Equip the next generation of technology professionals with a Christian foundation to be able to address the challenges of the world in their professional careers.

PROGRAM OVERVIEW

- **Mentees:** Christian students pursuing a technology career
- **Mentors:** Professionals working in the technology industry
- **Meetings:** 6 mentoring sessions from mid-February to mid-April

MENTORSHIP TOPICS

Workplace-related topics from a Biblical perspective.

Leadership

Resilience

Work/Life Balance

Responsible AI

"I just heard back from one of my students who participated this spring. You sure made an impact on his life, and I just wanted to thank you for that."

– Professor, Liberty University

Applications are open for **Cohort 2027**.
Apply early! Space is limited.
